off without
me”

“I’m just not
good
enough”

achieve my
objectives”

Leadership
don’t get it
so what's the
point ”

CARPE DIEM

EVERYBODY'S GOT A DREAM, WHAT'S YOUR DREAM ?

NO IRISH
NO BLACKS
NO DOGS.

ROLE MODELS AND CHAMPIONS

- Who are your role models ?
- Who are your champions ?

WHY IT'S OK TO FAIL

Thomas Edison

When a reporter asked, "How did it feel to fail 1,000 times?"

Edison replied : "I didn't fail 1,000 times , the light bulb was an invention with 1,000 steps."

Weakness is a strength in the wrong place

ITS OK TO BE ORDINARY / IMPERFECT

- The world we live in
- The power of vulnerability
- Know your limitations

GOOD ENOUGH IS GOOD ENOUGH

There are sufficient benefits and no critical problems, all things considered. It's not mediocrity, but rather a focus on building an achievable foundation.

A process of continuous improvement, where you're happy with your achievements but not complacent. It can involve regular reflection to learn and progress in areas that matter to you.

DARE TO BE DIFFERENT

- Find your true North
- Confidence in your convictions
- Don't fit in the box
- Make the box grow with you

HOW DO YOU GET THERE

Remember :

- Be courageous
- Be patient
- Don't accept a No instead ask why
- Ask about the possibilities
- Turn it upside down
- Don't stop learning
- It's a journey it won't be easy, but it will be worth it

**There's
always more
than one way
to the top of
the mountain**

**Be flexible on
the journey**

**When you
reach the top
enjoy the
view but
don't stop
dreaming**

If I can light the world up for just one

Watch this madness, colorful
charade

No one can be just like me anyway
Just like magic, I'll be flying free
I'm a disappear when they come for
me

I kick that ceiling, what you gonna
say?

No one can be just like me anyway
Just like fire
